FAMILY IS RESCUED BY AMERICAN BOY OF 9

(By Latest Mail.) LONDON.—Theodore Tapscott, a 9-year-old boy of Philadelphia, arrived at the office of the American Relief Committee in London in charge of a Hungarian widow and her six children, whom he had brought all the way from Budapest. Young Tapscott had been visiting relatives in Hungary and started to come out alone. At the railroad station in Budapest he met a forlorn family whose father, now dead, had been a naturalized American citizen. He took the Hungarian family under his care and brought them to London. Here the boy drew a draft on his father in Philadelphia, which was promptly honored by the relief committee. He then acted as interpreter for the widow while she told her story, after which he attended to getting passage for his charges.

BIG RECEPTION TO HONOLULU.

(By Latest Mail.) NEW YORK.—The Honolulu, the first passenger-carrying ship from San Francisco to come to New York via the Panama canal, flouted her big American flag proudly as she came up the harbor from quarantine. Fourteen passengers who made the trip out from the Golden Gate had been dropped when the ship put into Philadelphia the day before. Capt. J. S. Greene was proud of the fact that the Honolulu holds the present record for speed through the canal. She made it from Balboa to Christobal in nine hours and eleven minutes. In the Caribbean the Honolulu passed the Hamburg-American freighter Bethnia, being towed as a prize by the British cruiser Essex.

James McNamee, keeper of the hospital on Blackwell's Island, was dismissed by Commissioner Davis. He was on duty when two prisoners escaped, one of them being drowned while trying to swim Hell Gate. The United States army transport Kilpatrick arrived at Colon, Panama, with three companies of coast artillery on board. The troops will be distributed among the forts which form the defense of the canal.

FRANCE TO TREAT PRISONERS KINDLY

PARIS.—General Lantaud, governor general of Algeria and commander-in-chief of the north African provinces, in a message to his local officials has reminded them of the attitude of France in the matter of the treatment of prisoners of war, with special reference to the convey of German prisoners soon to arrive in Algeria, who, he says, should be treated humanely and kindly.

"You should not forget," the general reminds his subordinates, "that they are a conquered people, deprived of arms and liberty."
